

LEAVING A LEGACY:

Making a Will is one of the most important things you will ever do. As we look to the future, legacies are becoming an essential form of income for NHS Foundation Trusts. Funding from legacies allows us to provide the best patient care we can and makes it possible for us to plan for the future.

For more information you can request a legacy booklet or ask questions you may have by calling 0121 685 4310 or emailing roh.charitablefunds@nhs.net

SUPPORT US

Many people across the country face an uncertain future of chronic pain, disability and terminal illness. It can happen to anyone at any time.

We believe that every single person is valuable and deserves the best health care and treatment possible.

With your support we can access the latest equipment and technology to treat more patients, conduct more research to improve care, cure disease and save lives. And can support our staff to keep learning and growing so that they are ready for the challenges of the future.

REGULAR GIVING:

A regular gift can help us to plan for projects or large appeals. If you want to give a gift with added impact, please consider setting up a Regular Gift.

You can set up a Standing Order through your bank. All you need to do is decide how much you want to give and when. Our details for your bank are:
