**ROYAL  
ORTHOPAEDIC  
CHARITY**

**Leave a legacy with the Royal Orthopaedic Charity**

We are the Charity which supports the Royal Orthopaedic Hospital as we look to the future. Leave a gift in your will and you can help to support our award-winning hospital, empower our colleagues and change lives.

Funding from legacies quite simply allows us to provide outstanding patient care. A gift could mean that a young person feels at ease while they're sitting waiting for treatment, that physiotherapy patients have the best gym equipment to help them get back to feeling like themselves, or our colleagues can plan for the future and invest in the latest cutting edge technology.

**Did you know, you can leave a gift to more than one Charity in your will?**

It's a really cost-effective way to give, as charities are exempt from inheritance tax. A solicitor can help advise you further on this.

To include a gift in your will, your solicitor needs to use our full name "The Royal Orthopaedic Hospital Charity", our registered Charity number: 1078046 and our registered address: The Royal Orthopaedic Charity, Bristol Road South, Northfield, Birmingham, B31 2AP

**Your generous gift will help us continue to support our community in the years to come.**

If you would like to let us know that you have left a gift in your will or you have any queries please contact 0121 685 4379 and ask for a member of the Charity Team or email [roc@nhs.net](mailto:roc@nhs.net)

**Leaving a legacy for the future**

By leaving a gift to us in your will, you will be creating a lasting legacy, helping us continue to provide our expert care to everyone who needs us now and in the future.

**How to leave a gift to The Royal Orthopaedic Charity**

A residuary gift is a percentage or share of the balance of your estate once all other payments and gifts have been made.

A pecuniary gift is a fixed amount of money. Ask your solicitor about index-linking a cash gift to ensure the relative value stays the same over time.

A specific gift is a gift of a specific item such as jewellery, artwork or property.

Regardless of size, we are so grateful for gifts as they make a huge difference to our patients and their loved ones.
