

**A Colouring Book inspired by  
Children & Young People at The  
Royal Orthopaedic Hospital.  
Sponsored by the Royal  
Orthopaedic Charity.**

## **Introducing Our ROH Colouring Book**

Created by children and young people at The Royal Orthopaedic Hospital to help bring calm, creativity, and colour to your day.

This special colouring book has been created with love, imagination, and care by children and young people at The Royal Orthopaedic Hospital. Every page is filled with artwork designed to bring comfort, joy, and a moment of calm to anyone who picks it up.

Whether you're waiting for an appointment, spending time on a ward, or simply looking for a creative distraction, we hope these illustrations offer a gentle escape and a chance to express yourself through colour. Each image is inspired by the perspectives and creativity of our young artists, and we're proud to share their work with you.

This colouring book has been generously sponsored by **The Royal Orthopaedic Charity**, whose support helps us promote wellbeing and creativity across our hospital community.

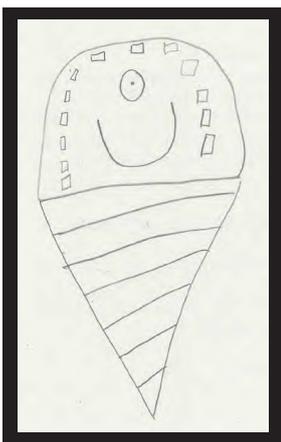

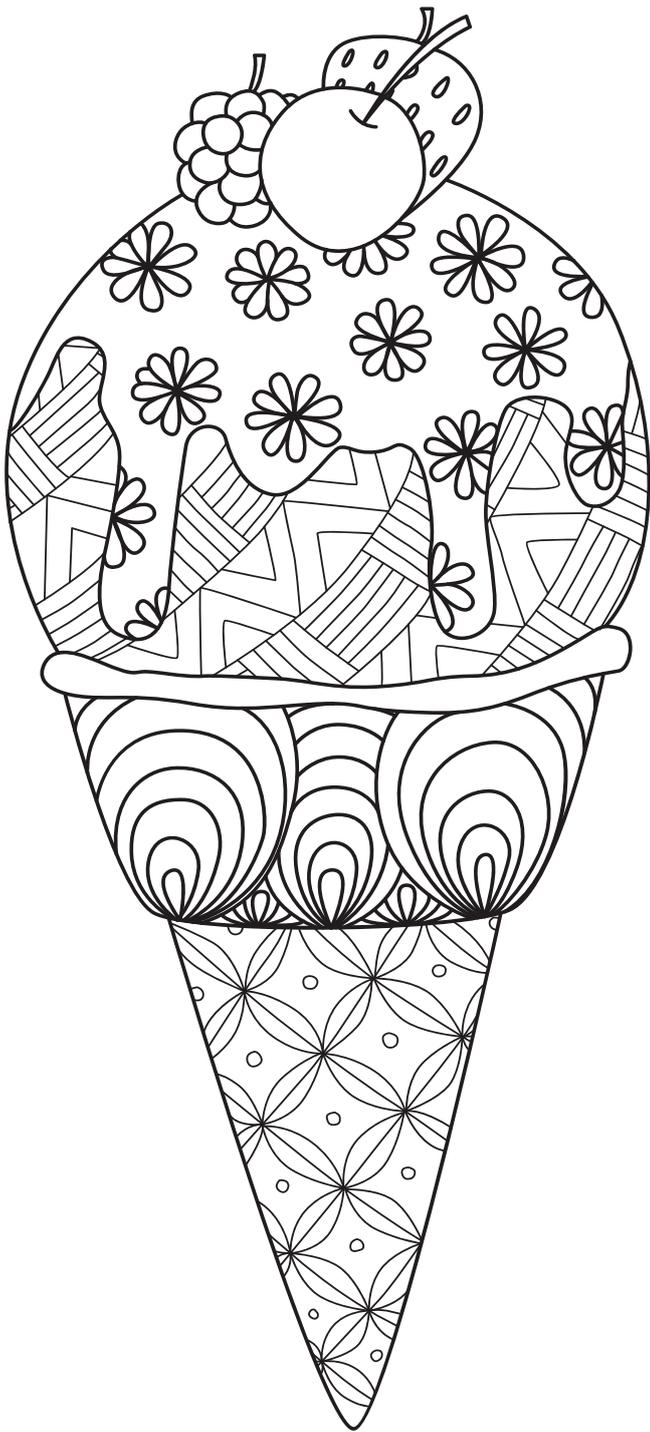

*"Charity donations have played a vital role in enhancing the quality of care and overall experience for children and families attending our department. Thanks to the generosity of donors, we've been able to create a more welcoming, child-friendly environment that helps reduce anxiety and promotes comfort during the children's visits."*

ROC plays a vital role in enhancing the experience of children, young people, and their families within the Children and Young People's Service at The Royal Orthopaedic Hospital.

Through funding activity packs, distraction items, interactive play units, and sensory equipment, ROC helps to reduce anxiety, encourage positive engagement, and create a welcoming, child friendly environment.

These resources support emotional wellbeing and comfort, helping to make hospital visits feel less daunting and more manageable for patients and their families – all made possible thanks to the generous donations to ROC's Young Persons Appeal.
