

CORPORATE FUNDRAISING

No matter the size of your organisation or the level of support you can offer, your partnership can help transform lives at the Royal Orthopaedic Hospital.

By fundraising for the Royal Orthopaedic Charity (ROC), you'll be supporting pioneering research, specialist equipment, and exceptional patient environments — all of which help us deliver world-leading orthopaedic care.

WHY PARTNER WITH THE ROYAL ORTHOPAEDIC CHARITY?

Boost Team Spirit and Make a Real Difference

Corporate fundraising is a powerful way to bring colleagues together, strengthen teamwork, and boost morale — all while supporting a cause that changes lives every day.

Positive Public Recognition

When your company raises a significant amount for ROC, we'll celebrate your achievement across:

- Our hospital site – be that through our intranet or in our public facing spaces
- Our website
- Social media channels

Your support helps us, and we make sure people know about the impact you've made.

Take on Inspiring Challenges

Whether your team wants to push their limits or simply enjoy a fun day out, we offer a wide range of challenge events:

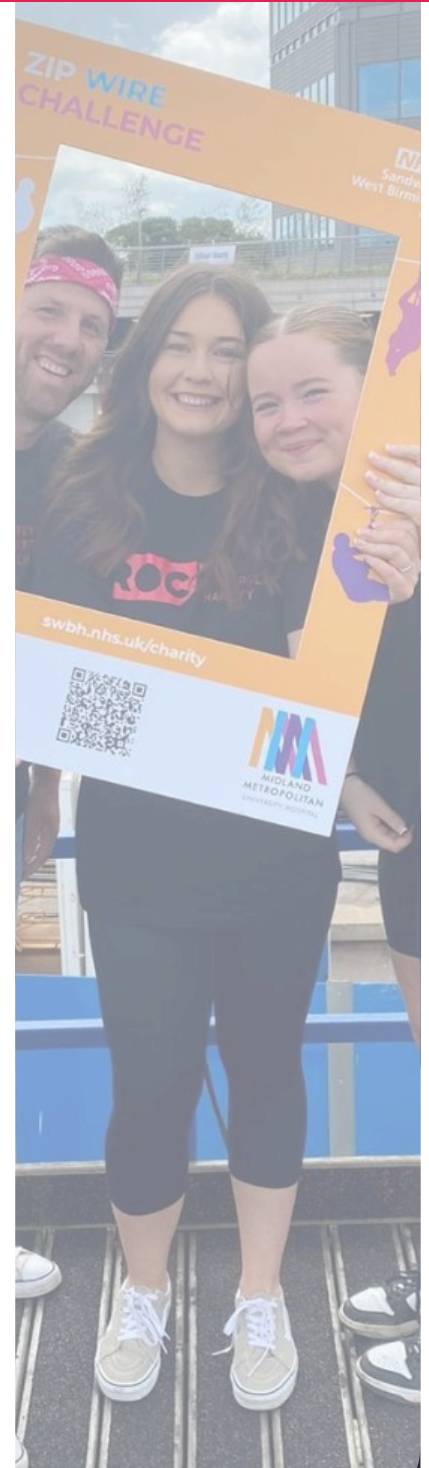

- Runs and walks
- Adventure challenges
- Team-building fundraising activities

See the Impact of Your Support

Major donations towards equipment, research, or new facilities come with the opportunity to see your impact first-hand. This may include:

- Invitations to launch events
- Project updates
- Recognition within the hospital

Your team will be able to see exactly how their support is helping patients and staff.

WAYS YOUR COMPANY CAN GET INVOLVED

Staff Fundraising

Encourage your team to get creative and organise their own fundraising activities. Popular ideas include:

- Office competitions
- Sponsored challenges
- Cake sales
- Add excitement and purpose to your awards evening by hosting a raffle or silent auction in support of the Royal Orthopaedic Charity
- Bespoke events that reflect your company culture
- Raffles and silent auctions at awards evenings

Sponsorship Opportunities

Sponsorship helps us create a world-class orthopaedic environment for patients and families. In return, your company receives:

- Public recognition
- Branding opportunities
- Social media and website features
- A meaningful association with a respected healthcare charity

You can sponsor:

- Elements of or equipment for our major trust developments
- Specific projects
- Campaigns on our fundraising platforms

Company Donations

Every contribution — large or small — helps us deliver outstanding care.

For significant donations, we offer:

- Tailored recognition
- Opportunities to support specific projects
- Updates on the impact of your gift

Matched Giving

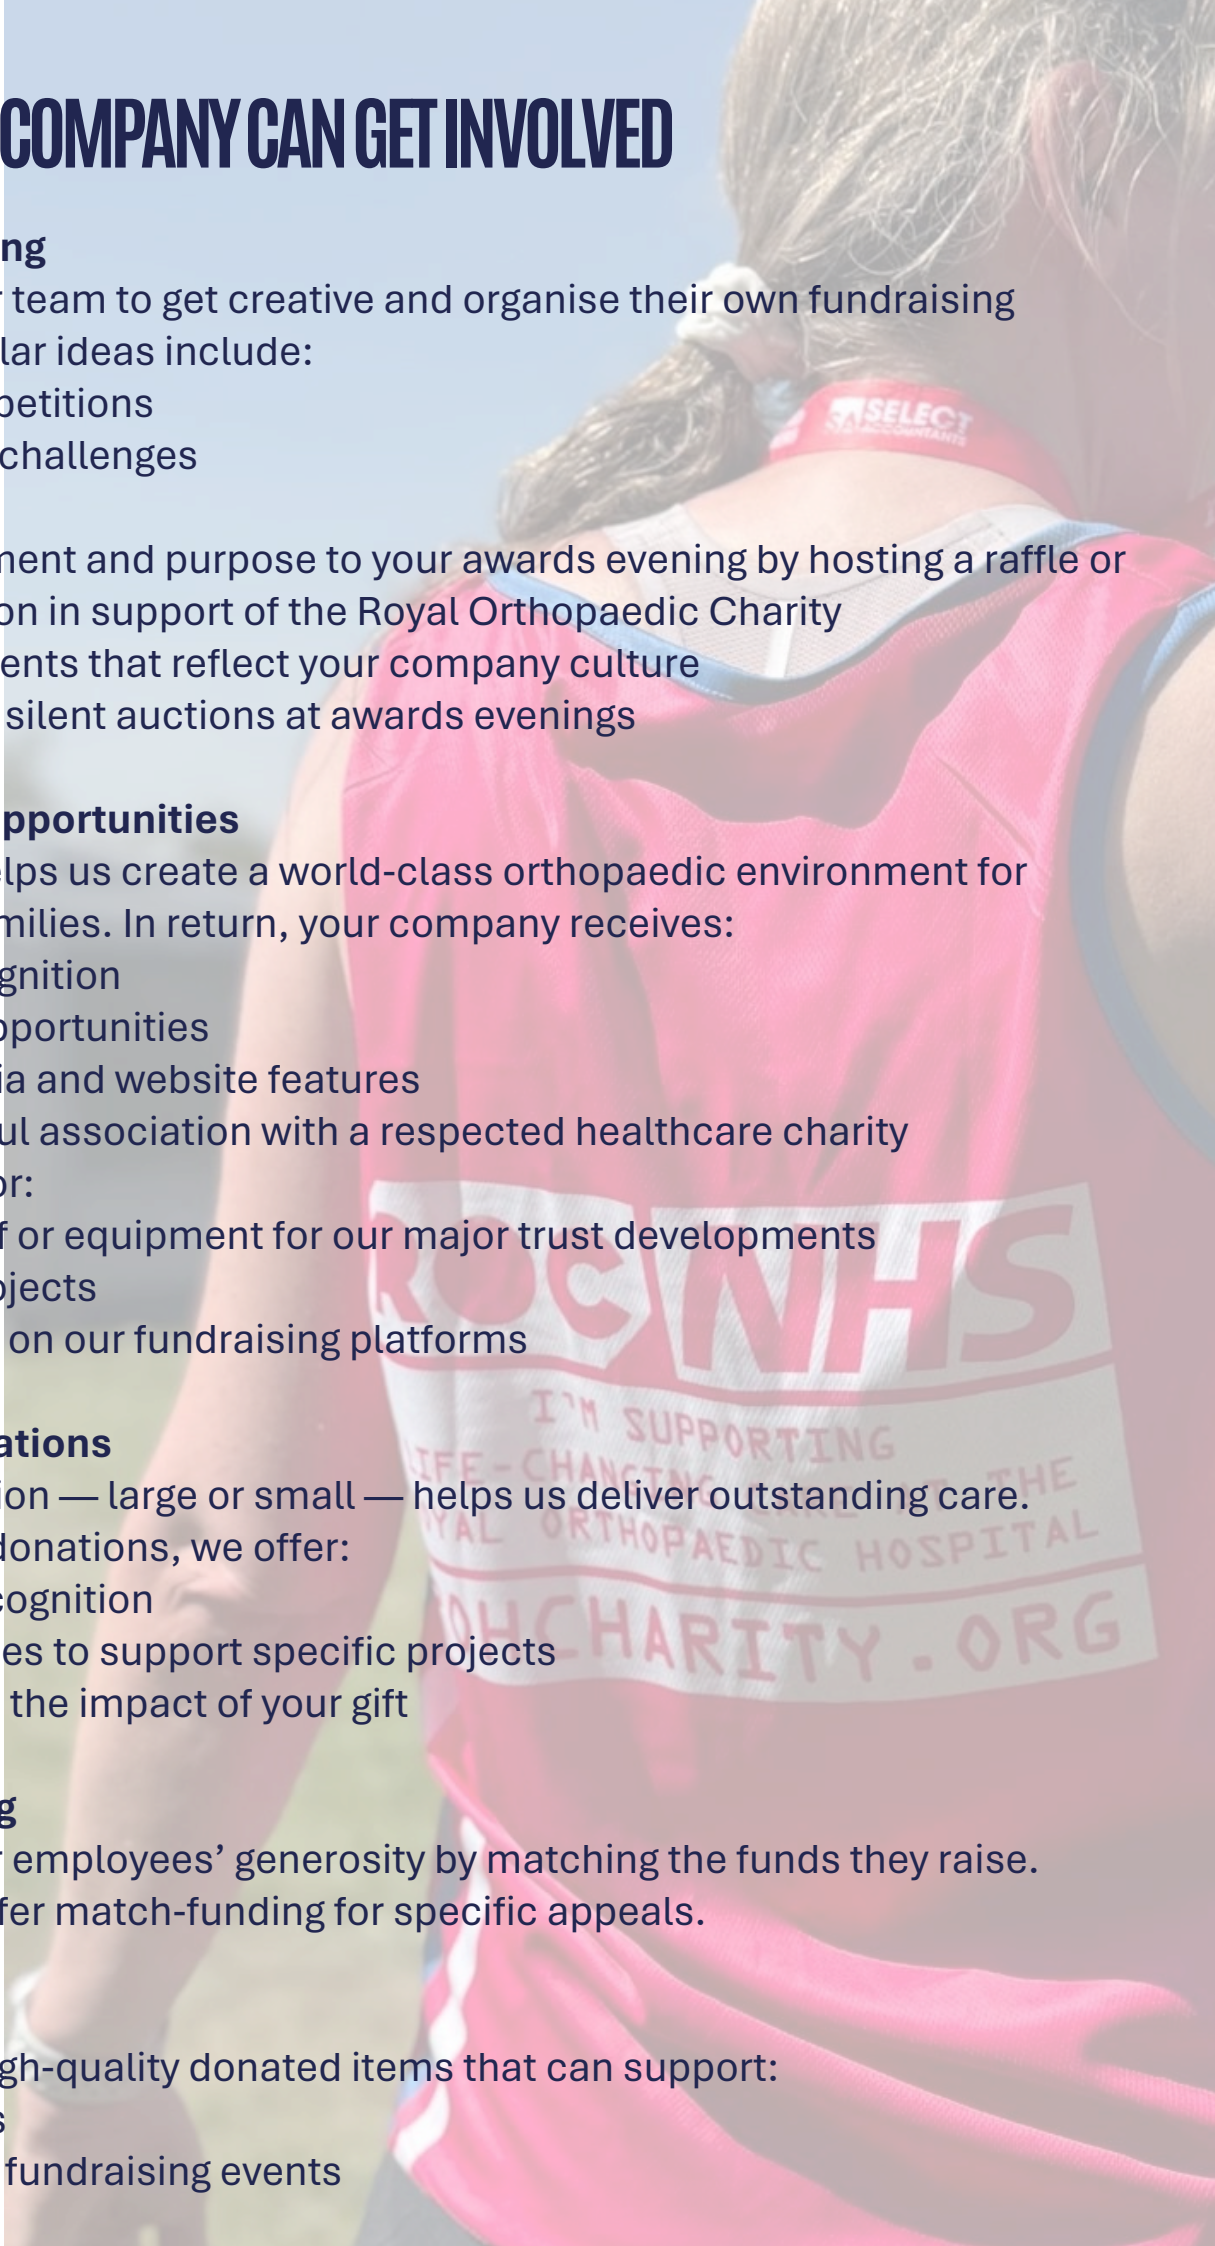

Encourage your employees' generosity by matching the funds they raise.

You can also offer match-funding for specific appeals.

Gifts in Kind

We welcome high-quality donated items that can support:

- Patient gifts
- Raffles and fundraising events

**We're here to help shape
your ideas into
something memorable.**
